

Grant Recipient Completion Report following the award of a Student Grant

Once you have received a Student Grant the Trust requests that you complete and return this form. This form must be completed and returned prior to applying for a Student Grant for a subsequent year of study.

The purpose of this form is to allow you to tell the Trust about the grant process and what difference the grant you have received has made to you. The information you provide in this form will help Stratherrick and Foyers Community Trust develop our grant making. Personal information you give here will not be made public. Please refer to the Privacy Statement of the Trust which is available at www.stratherrickcommunity.org.uk. Thank you.
